

To Place an OT Order

Open the ACI to the FU/Ref tab

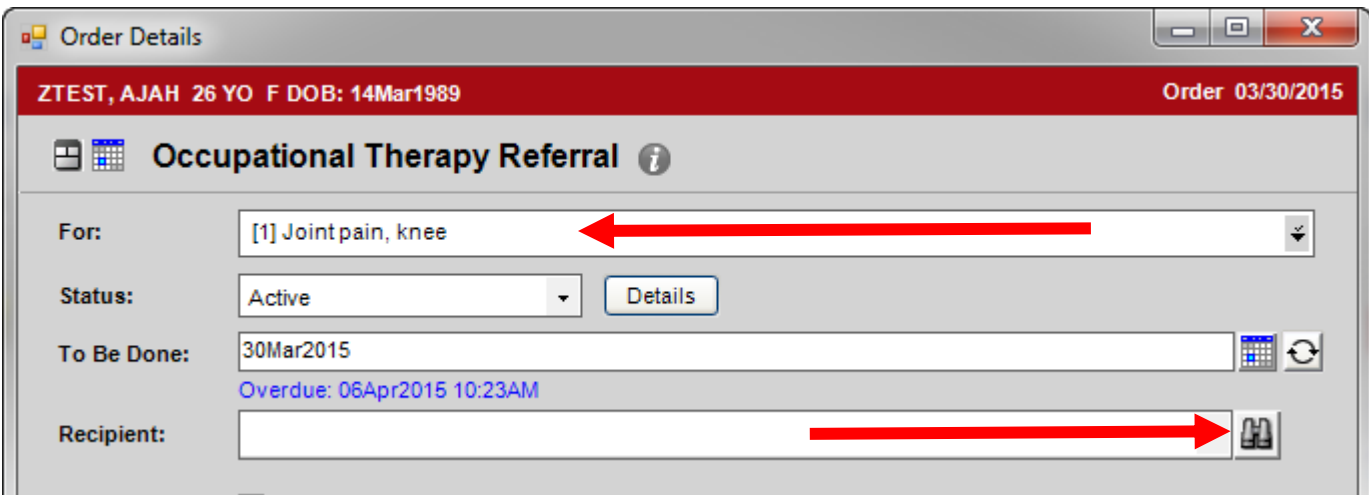

Type "therapy" into the search bar

Click the Occupational Therapy Referral box

Link the order to a problem

Click the binoculars to open the "Recipient" search window

Quick Search the word “therapy.”

Choose “Washington University Occupational Therapy”

The screenshot shows a 'Select Recipient' window for patient ZTEST, AJAH, 26 YO, F, DOB: 14Mar1989. The search mode is 'Quick Search' with the term 'therapy' entered in the search box. A red arrow points to the search box. Below, the 'Search Results' section shows 7 results. A red arrow points to the first result in the table, which is 'Washington University Occupational T...'. The table has columns for Ext, Last/Prac/Agency, First, MI, Specialty, and Practice.
