D-2 Concentration Plan of Study for the OT Doctoral Degree

Due: December 1st of second year

Students must determine the courses and learning experiences that will support their concentration for their doctoral education in conjunction with their doctoral advisor. Minimum course requirements must be met. The plan should be reviewed each semester and modified as appropriate. Complete this form, and submit it to Joanne Morrissey, OTD Coordinator

Student Name:  

Concentration Area:

Potential Electives:

1.

2.

3.

Potential Teaching Assistantship

1.

2.

3.

Other Learning Activities

1.

2.

3.
I understand the approval of this plan of study is conditional, and is based on the assumption that I will complete my degree within the time frame required by the Program in Occupational Therapy.

Student Signature & Date: ____________________________________
