

Curriculum Vitae

Date: July 2023

Name: Emily Kling Somerville

Contact Information

- Phone Number: 314-273-4132
- Mailing Address:
Program in Occupational Therapy
Washington University School of Medicine
MSC 8505-66-1
4444 Forest Park Avenue
St. Louis, MO 63108-2212
- Email: somervillee@wustl.edu

Present Position

2023 – present Assistant Professor, Program in Occupational Therapy
Washington University School of Medicine, St. Louis, MO

Education

Undergraduate

2005 BS; Covenant College, Lookout Mountain, GA

Graduate

2007 MS; Washington University School of Medicine, St. Louis, MO

2018 OTD; Doctorate of Occupational Therapy, Washington University School of
Medicine, St. Louis, MO

Academic Positions / Employment

2008 – 2012 Research Coordinator,
Washington University School of Medicine, St. Louis, MO

2008 – present Lead Occupational Therapist Interventionist
Washington University School of Medicine, St. Louis, MO

2019 – 2023 Instructor, Program in Occupational Therapy and Neurology
Washington University School of Medicine, St. Louis, MO

2023 – present Assistant Professor, Program in Occupational Therapy and Neurology
Washington University School of Medicine, St. Louis, MO

Clinical Title and Responsibilities

2008 – 2011 Occupational Therapist, In-Home Occupational Therapy Services Program
Washington University School of Medicine, St. Louis, MO

Teaching Title and Responsibilities

2009 – present Clinical Instructor, Fieldwork Education Experience
Washington University School of Medicine, St. Louis, MO

2014 Case Based Learning Tutor
Washington University School of Medicine, St. Louis, MO

2014 Teaching Assistant, 150InterD 123: When I am 64, Transforming Your Future
Washington University in St. Louis, Danforth Campus; St. Louis, MO

2014 – 2015 Teaching Assistant MO1780: Applied Clinical Research
Washington University School of Medicine, St. Louis, MO

2016 – present Co-Coursemaster, MO1780: Applied Clinical Research
Washington University School of Medicine, St. Louis, MO

2014 – 2018,
2020 Guest Lecturer, Biology of Aging
Washington University School of Medicine, St. Louis, MO

2017 Teaching Fellow, 150InterD 123: When I am 64, Transforming Your Future
Washington University in St. Louis, Danforth Campus; St. Louis, MO

2023-present Tutor, M01 643 CBL II: Occupational Performance Enabling Participation
Washington University School of Medicine, St. Louis, MO

Course Assistant, M01 642 Evaluation and Intervention: Adults and Older Adults I
Washington University School of Medicine, St. Louis, MO

Medical Licensure and Certification

2008 – present National Board of Occupational Therapy Certification
License number: 238164
Active

2008 – present Missouri Board of Registration
License number: 2008005769
Active

2015 –
present Illinois Board of Registration
License number: 056010897
Active

Honors and Awards

2019 Cordelia Myers *American Journal of Occupational Therapy* best article award

2021 The Arlene and Meyer Kopolow Award for Excellence in Geriatrics, Psychiatry and Neurology, Washington University School of Medicine

Editorial Responsibilities

Manuscript review bodies Canadian Journal of Occupational Therapy, American Journal of Occupational Therapy, British Journal of Occupational Therapy, Occupational Therapy Journal of Research, Occupational Therapy International, Australian Journal of Occupational Therapy, Disability and Rehabilitation, Physical and Occupational Therapy in Geriatrics

National Panels, Committees, Boards

2010 – 2018 Board member, Home Services Inc.
2013 – 2018 Board Secretary, Home Services Inc.
2022-present American Occupational Therapy Foundation Intervention Research Grant Review Board

Community Service Contributions

2005 – 2009, 2015 – present Member, American Occupational Therapy Association
2006 – 2009 Member, Missouri Occupational Therapy Association
2015 – 2018 Editor, Home and Community Health, Special Interest Section, American Occupational Therapy Association
2018 - 2019 Knowledge Transfer Content Development Board, American Occupational Therapy Association
2020- present Faculty Fellow, The Carver Project, Washington University in St. Louis
2022- present Student Reading Group Mentor, The Carver Project, Washington University in St. Louis
2020-present Member, School Board, Central Christian School, St. Louis, MO
2021-present Executive Committee, School Board, Central Christian School, St. Louis, MO
2023- present Board Chairman, Central Christian School, St. Louis, MO

Major Invited Professorships and Lectureships

2010 Designing coding rules for the International Classification of Functioning, Disability, and Health for Children and Youth (ICF-CY)
Midwestern Dean's Conference, St. Louis, MO

- 2010 The interrater reliability of occupational therapist using the International Classification of Function, Disability and Health
World Federation of Occupational Therapy, Santiago, Chile
- 2014 Measuring levels of support provided by caregivers.
Translational Science Meeting, Washington, D.C.
- 2017 Successful collaborations between a community agency and an academic program to provide services for older adults
Show Me Summit on Aging, Columbia, MO
- 2018 A hybrid randomized controlled trial/process evaluation of a home hazard removal program delivered in an Area Agency on Aging
HUD Healthy Homes Conference, Anaheim, CA
- 2018 Development of a Community-Based Research Network (CBRN) to address the needs of adults aging with long-term physical disability
Show Me Summit on Aging, Columbia, MO
- 2019 Medication Management and Inappropriate Polypharmacy in the Older Adult Population
The Covenant Place, St. Louis, MO
- 2021 Medication Management and Older Adults
Issues in Aging, Center For Aging, Washington University in St. Louis
- 2022 An Evidence-Based Fall Prevention Program for Older Adults
Marin County Section on Aging
San Rafael, CA
- 2022 Evidence-Based Home Modification Process
Missouri Aging and Disability Research Network

Research Support

Governmental

Past

- 2010 – 2014 Occupational Therapy Interventionist (Stark, PI), The Effectiveness of a Fall Prevention Program, Housing and Urban Development, HUD MOLHH0196-09
Award amount: \$599,937
- 2014 – 2016 Occupational Therapy Interventionist (Stark, PI), Feasibility of a novel intervention to improve participation after stroke, National Center for Medical Rehabilitation Research, 1R03HD079841
Award amount: \$130,161
- 2014 – 2017 Occupational Therapy Interventionist (Stark, PI), Removing home hazards for older adults, US Department of Housing and Urban Development, MOHHU0024-14

Award amount: \$724,996

2016 – 2018 Occupational therapist (Wildes, PI), Adaptation of the STEPPING ON fall prevention program for older adults receiving cancer therapy, Retirement Research Foundation

2014 – 2019 Occupational Therapy Interventionist (Avidan, PI), Electroencephalograph guidance of anesthesia to alleviate geriatric syndromes (ENGAGES), National Institute on Aging, UH2HL1251/5UH3AG050312
Award amount: \$2,914,080

2017 – 2022 Research Coordinator and Lead Occupational Therapy Interventionist (Stark, PI), COMPASS: A novel transition program to reduce disability after stroke, National Institute for Child Health and Human Development, 1R01HD092398-01
Award amount: \$269,918 annual

Non-governmental

2009 – 2011 Research Coordinator and Occupational Therapy Interventionist, Susan Stark, Principal Investigator, Does home modification improve activity levels for frail community dwelling older adults? Retirement Research Foundation, Grant #2008-271
Award amount: \$116,300

2020 – 2021 Principal Investigator, A Tailored Medication Management Intervention for Older Adults, American Occupational Therapy Foundation, Grant #AOTF20SOMERVILLE
Award amount: \$49,798.00

2021 Principal Investigator, Addressing Mental Health of Older Adults, funding, Pitch Partners funding mechanism from the Institute of Public Health and the Institute of Clinical and Translational Sciences, Grant #UL1TR002345
Award amount: \$9,870.00

Trainee/Mentee/Sponsorship Record:

Clinical Training

2021-present Home Hazard Removal Program (HARP) for Fall Prevention, Development and Delivery of an Asynchronous Training Program for Occupational Therapists

Mentored Summer Intensive Research in the Participation, Environment and Performance Laboratory

2021 Mateo Blair, Harvey A. Friedman Center for Aging Summer Program, Depression after Stroke

Josie Wright, Harvey A. Friedman Center for Aging Summer Program, Depression after Stroke

2019 Hanna Holmes, Harvey A. Friedman Center for Aging Summer Program,
Participation of People with Stroke

OT Doctoral Projects Mentored in the Participation, Environment and Performance Laboratory:

2010 Aliza Smason, The personal factors associated with home modification
Acceptance

2011 Adam Pearson, Barriers in the homes of underserved older adults

2012 Danielle Cobbs, Effectiveness of home modifications to reduce functional
incontinence: A case series design

2013 Marian Keglovits, Measuring Levels of Support Provided by Caregivers

2013 Erin Sanborn, Home modification needs in a medically underserved population of
older adults

2014 Mary Murphy, The development and validity of HOME Rx: An in-home
medication assessment

2016 Akosua Asare, The effect of distrust of the health care system, taking inappropriate
medications and being on complex medication regimens on medication adherence
in medically underserved older adults

2017 Rebecca Bollinger, A pilot study evaluating the feasibility of an automated bidet
system to decrease caregiver burden

2019 An Nguyen, Development of a Mobile Directory of Occupational Therapists who
Provide Home Modifications

OT Masters Projects Mentored in the Participation, Environment and Performance Laboratory:

2011 Lyn Byun, Falls among older adults with preclinical Alzheimer's disease

2011 Eleanor Scholes, Using video to support decisions about home modifications

2012 Miriam Brinley, Standardization of the tailored home modification process using
the IPDAS standard checklist

2012 Lori Hansen, Tele-assessment of barriers in the home

2012 Brittany Minor, Effects of an in-home environmental modification intervention on
personal abilities

2012 Ashley Hermes, Fall patterns in older adults with and without preclinical AD: A
prospective cohort study

2012 Anna Van Voorhis, Fall detection for community dwelling older adults

- 2013 Tara Silanoff, Tailored calendar journals to ascertain falls among community dwelling older adults
- 2013 Susan Lee, Test-retest reliability of an in-home vs. tele-assessment In-Home Occupational Performance Evaluation
- 2013 Kelsey Bigham, Personal factors that influence clinical reasoning
- 2013 Ashley Bruck, Fall detection for community dwelling older adults
- 2014 Rebecca Williams, Test-retest reliability of an in-home vs. tele-assessment In-Home Occupational Performance Evaluation
- 2014 Morgan Brundal-Smith, Effectiveness of an online training program to conduct the I-HOPE
- 2014 Megan Carlson, Falls in older adults with preclinical Alzheimer's disease
- 2014 Jeanne Horvath, Validation of photographs for the I-HOPE Care
- 2015 Jamie Tate, Cultural adaption of two fall prevention interventions for medically underserved older adults
- 2015 Anita Khoong, Fall detection for community dwelling older adults
- 2015 Stephanie Flower, Fear of falling: Environmental and personal risk factors among community-dwelling older adults
- 2015 Stacey Dahm, A home safety self-assessment tool for older adults before surgery: A feasibility study
- 2017 Rebecca Blum, A tailored fall prevention program for community-dwelling older adults
- 2017 Niraj Shah, Tailored educational fall prevention
- 2017 Cindy Mach (Joint Master of Science in Public Health), Feasibility of a health coach program for older adults at risk of fall post operation
- 2017 Dionne Siyavora, The impact of home modifications on medically underserved older adults with impaired function
- 2017 Alexander Giordano, Environmental modifications improving functional abilities in older adults living with HIV
- 2017 Madison Morris, Fall Prevention Bingo: Impact of education on understanding fall risk and readiness to change health behaviors in older adults
- 2018 Kelsey Heigel, How Can Adherence to Lifestyle-Integrated Functional Exercise Programs be Improved?

- 2018 Jenny Flint, Fall Prevention Bingo: The Effects of Fall Prevention Education on Older Adults Readiness to Make Health Behavior Changes to Reduce Risk for Falls
- 2019 Audrey Keleman, Preclinical Alzheimer's Disease and Falls
- 2019 Makenna Snyder, Evaluation of Race as a Predictor of Fear of Falling in Black Older Adults
