

# Seeking Participants

Caregivers of children with sickle cell disease  
(ages 6 months-48 months)

Early Intervention Providers  
Pediatricians and Hematologists

## Study Purpose

To develop better services for children with sickle cell disease

What you will be asked to do

You will be asked to complete a few short surveys related to your experiences with early development and the use of therapy services as a caregiver or provider. You may be asked to participate in an interview

Participants will receive a \$30 gift card for completing a survey and an additional \$30 gift card for completing an interview.
