

PEDIATRIC RESEARCH AT WASHINGTON UNIVERSITY SCHOOL OF MEDICINE

**SEEKING
PARTICIPANTS:
CHILDREN 0-30
MONTHS OF AGE
TYPICALLY DEVELOPING
OR
SICKLE CELL DISEASE**

STUDY PURPOSE:

LEARN ABOUT YOUR CHILD'S DEVELOPMENT AT 9, 18 AND 30 MONTHS.

WHAT YOU WILL BE ASKED TO DO

You will be asked to complete surveys related to your child's growth and learning. Your child will participate in a developmental evaluation that will use play activities to look at how he or she is moving and learning.

You will receive a \$50 gift card for your time.

Visits can be completed at Washington University School of Medicine, St. Louis Children's Hospital or at your home.

This research is made possible through funding from the NIH, Heart, Lung and Blood Institute; award number K24 HL148305-01, K12HL137942.
